RESIDENTIAL

Dear Homeowners of Bay Harbor Club,

With Hurricane Dorian approaching, I wanted to assure you that plans and preparation for the storm are in place. We will be on site to secure the property and prepare for anything that may arise. We are monitoring the storm and are taking any measures we can to get ready for this storm.

Homeowners that are in residence: \*Please be sure that you are prepared for the storm as well. Please refer to the BHC Emergency Preparedness Plan that has been placed in each unit as a reference.

\* Under certain storm conditions, the elevators may be locked out of service.

We will continue to monitor the storm and make the appropriate preparations. Be assured we are being proactive with preparations.

Thank you,

Paula Davis, LCAM
