Bicycle Registration

In an effort to:

- Manage the storage of bicycles,
- Keep the bicycle rooms clean and orderly, and
- Eliminate abandoned and derelict bicycles,

Bay Harbor bicycle storage rooms are available to Bay Harbor unit owners. All bicycles stored in bicycle rooms are required to be registered with a two-year \$50 registration fee. A tag will be provided and it is requested that you place the tag on your bicycle to indicate that it is currently registered

Under building bicycle racks are available for owners, guests and tenants. When a guest or tenant is not in residence, the bicycle must be removed from the premises.

Bicycle registration is for a two year period, beginning each May 1st of odd numbered years. Bicycle registration and bicycle room privileges are not transferable. It is requested that all bicycles be in good running order.

Bicycles stored in a bicycle room that have an expired registration may be moved by the Association to the owner's unit. Any bicycle that is abandoned may be disposed of by the Association. At any time an owner may request to have their bicycle removed from the premises. There will be no refund of the registration fee.
